

MEDIA RELEASE

AXSYS recognised as MYOB's Enterprise Solutions Australian Partner of the Year

Melbourne, Australia – Thursday 5 March 2015: Leading finance software provider [AXSYS](#), located in Adelaide, Hobart, Melbourne and Perth, has been awarded with MYOB's Enterprise Solutions Partner of the Year award for 2014.

The award recognises a partner's high level of excellence across sales, growth and client service of [MYOB Enterprise Solution](#) clients in Australia in 2014. MYOB has also recognised AXSYS with the Enterprise Solutions Excellence in Marketing award, further cementing the company's achievements this past year.

Andrew Birch, General Manager of Industry Solutions presented the award to Jason Ransley and Karyn Bennett of AXSYS at the MYOB Enterprise Solutions Partner Awards in the Gold Coast last night.

"Jason, Karyn and their team at AXSYS continue to deliver outstanding work, providing professional consulting and a personalised solution with a strategic approach and consistent success. In 2012, we recognised AXSYS with our Excellence in Business Growth award, so they have a clear track record as one of our most valued and successful partners to date. We are delighted to present them with this award and recognise them as the Enterprise Solutions Australian Partner of the Year as well as the Excellence in Marketing award."

Axsys Managing Director Jason Ransley says, "Winning these awards tells us we are on the right path with our business strategy. Delivering quality solutions to the SME market is our focus and the whole team at AXSYS is continually striving to ensure we deliver on this. We really enjoy working with the MYOB team on a daily basis and having access to such robust ERP solutions like EXO and Advanced just makes our job that much easier. We are looking forward to a strong 2015 and working with MYOB to continue to deliver on-premise and cloud solutions to the market."

AXSYS has over 20 years' experience in successfully delivering software solutions to a diverse range of clients across Australia. As an implementer of MYOB EXO since 2000, AXSYS is one of the most experienced and trusted solution providers in the market today. With offices in Adelaide, Hobart, Melbourne and Perth, the company has the know-how and the products to get administration running efficiently for businesses across Australia.

About MYOB

Established in 1991, MYOB is Australia's largest business management solutions provider. It makes life easier for approx. 1.2 million businesses across Australia and New Zealand by simplifying accounting, payroll, tax, practice management, CRM, websites, job costing, inventory and more. MYOB provides ongoing support via many client service channels including a network of over 40,000 accountants, bookkeepers and other consultants. It is committed to ongoing innovation, particularly in cloud computing solutions, and now spends well over A\$40 million annually on research and development. In 2014, MYOB released a number of additional solutions and product enhancements. For more information, visit myob.com.au.
